Whereas, the Founders of the constitution empowered State Legislators to be guardians of liberty against future abuses of power by the federal government, and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending, and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent, and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States, and

Whereas, it is the solemn duty of the States to protect the liberty of our people—particularly for the generations to come—by proposing Amendments to the Constitution of the United States through a Convention of the States under article V for the purpose of retraining these and related abuses of power,

Be it therefore resolved by the Teton County GOP that the Wyoming GOP request

Section 1. The legislature of the State of Wyoming to apply to Congress under the provisions of Article V of the Constitution of the United States for the calling of a convention of the states limited to proposing amendments to the Constitution of the United States that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and for members of Congress.

Section 2. The secretary of state is hereby directed to transmit copies of this application to the President and Secretary of the United States Senate and to the Speaker and Clerk of the United States House of Representatives, and copies to the members of the said Senate and House of Representatives from this State; also to transmit copies hereof to the presiding officers of each of the legislative houses in the several States, requesting their cooperation.
